

Nevada Environmental Health Association

Membership Application

The Nevada Environmental Health Association (NvEHA) is an association of professionals who have been working to advance the cause of environmental and public health since 1962.

NvEHA members have the opportunity to:

- ① Network with other environmental health and related industry professionals.
- ② Participate in annual educational conferences and receive CEUs.
- ③ Contribute to the resolution of Nevada's environmental and public health issues.
- ④ Receive e-newsletters and announcements.
- ⑤ Access information and announcements via our website (www.NvEHA.org).

Name: _____
